Featured Speaker

Sarada Chiruvolu left a pharmaceutical career to pursue a spiritual calling. She set out on a unique journey that has taken her toward attaining realization of Self or Enlightenment through many years of deep meditation. She subsequently wrote a book entitled "Home at Last: A Journey Toward Higher Consciousness" which details her story and how to incorporate that particular experience into ones daily life. Over the years since, she continues to lead a normal

family life integrating that profound state dedicating her time toward various philanthropic pursuits where ever she can make a difference. Her focus is always to address most of the rudimentary needs of people because if these essentials are not taken care of then a detrimental cycle ensues. She lives in Princeton, NJ working towards this mission.

This lecture will take you on a profound journey on the road toward enlightenment based on Sarada's direct experience. The talk will emphasize what the process of Self-Realization / Enlightenment actually entails. She will also cover some misconceptions about enlightenment. She gives detailed information on the important roles of diet, exercise, and training the mind in preparation for the journey of realization and how to balance that discipline with everyday life.
